- Question 5 If you have never used the Hazlewood Exemption you should not be completing this form. If you are a veteran and have never used Hazlewood, you should be using form HE-V. If you are a dependent and have never used Hazlewood, you should be using form HE-D.
- Question 6. Since your eligibility for the exemption lasts for 150 hours, your current institution may need to contact your previous school to make sure it has an accurate count of your remaining hours of eligibility.
- Question 7. You may not be in default on a student loan made or guaranteed by the state or in default on a federal education loan *if that default affects your eligibility for federal GI education benefits*. If you answer “yes” to this question, you cannot use the exemption. Your institution will verify your response to this question.
- Question 8. To use the exemption, a veteran’s or dependent’s federal veterans’ education benefits cannot exceed the potential value of his/her Hazlewood exemption (tuition and fees other than property deposit and student service fees). If he/she still has federal veterans’ education benefits available, he/she must use them first or while using the Hazlewood exemption. As a continuing user of the exemption, you already have a letter on file.
- Question 9. (For veterans only; not for dependents.) If you have served active duty since the issuance of your DD214 you may be eligible for additional federal veterans’ benefits. You need to contact Muskogee Oklahoma to acquire a current VA benefit letter. They can be reached at 1-888-442-4551.
